SMS/Text Messaging Opt-In Form

What is Our SMS/Text Messaging Service For?

Welcome to Dan Perkins Construction, your trusted partner in metal roofing. Our text messaging service is dedicated to providing you with timely and important updates about your metal roofing project. This service is not and will never be used for sales or promotional purposes. Instead, it enables Dan Perkins Construction to make sure you're fully informed about:

- Your project's progress and important updates
- Scheduling changes, including any weather-related delays
- Other relevant information concerning the work on your jobsite

Our text messaging service is provided at no extra charge beyond your standard carrier rates for SMS.

How to Opt-Out

You have the right to discontinue receiving SMS updates at any time. To opt-out later, simply text **STOP** to our dedicated SMS number or give us a call to request your removal.

SMS/Text Messaging Opt In Consent

The undersigned customer of Dan Perkins Construction, Inc. consents to receive text message communications from Dan Perkins Construction, Inc. regarding updates related to your metal roofing project.
